

Design 6369 / Teddy

Size: about 40 cm (16 inches) high.

Materials: Schachenmayr Regia Design Line by Arne & Carlos, 100 g in Fall Night Color 03655 and Schachenmayr Regia Uni, 4-ply, 50 g in Natural 01992.

Remnants of gray yarn for eyes, nose and mouth.
1 circular knitting needle by Milward, size 2.5 mm, 40 cm (16 inches) long and 2 sets of double-pointed knitting needles, size 2.5 mm.

Wool filling.

Stocking stitch (stst): knit (K) right side rows, purl (P) wrong side rows, K only when working in rounds (rnds).

Increase (inc) 1 stitch (st): insert needle under strand of yarn between two sts, K 1 through back of loop.

Gauge: 30 sts and 40 rows in stst = 10 x 10 cm (4 x 4 inches).

INSTRUCTIONS

The teddy bear is knit in rnds in Fall Night Color. First make the legs, then the body, both arms and then the upper body. The head is worked partly in rnds and partly in rows. The nose is worked last in rnds in Natural. The ears are each knit separately and then sewn to the head.

Legs:

Cast on 12 sts in Fall Night Color and distribute evenly over 4 double-pointed needles (= 3 sts/needle), close to a rnd. Mark rnd transitions with yarn in a contrasting color. Work stst in rnds.

Rnd 1: K all sts = 12 sts.

Rnd 44: cast off 5 sts, K 42 and cast off 5 more sts. Distribute remaining 42 sts over 2 needles (= 21 sts / needle).

Leave a length of yarn hanging.

Work second leg likewise. Sew up the hole at the start of each leg with the beginning end of the yarn.

Body

Center the cast-off edges of the legs and hold together with a safety pin.

Now continue in rnds to work the body over all 84 sts, start of rnd lies on right side of body.

Rnds 1–3: K all sts = 84 sts.

Work second arm likewise. Sew up the hole at the start of each arm with the beginning end of the yarn.

Upper Body

Center the cast-off edges of the arms on the cast-off edges of the body and hold together with one safety pin each.

Now work the upper body in rounds over all 136 sts, start of rnd lies at right edge of front. Important: The sts are now distributed over 6 needles. Continue to work with 6 needles (= 2 needles for each arm) until it is possible to place the sts for the arms on 1 needle each.
