MAKING UP

Press as described on the information page in FAQ area.

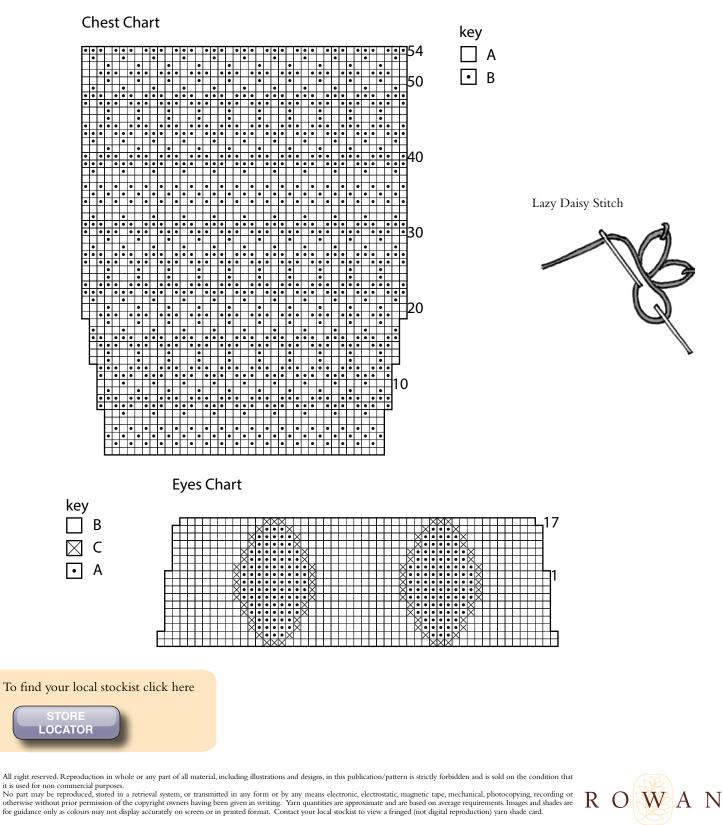

Join row-end edges of front panels below joining row to form complete front piece – due to difference in row tensions, the edges should be the same length but there will NOT be the same number of rows in each edge.

Using photograph as a guide and yarn A, embroider details onto face section as folls: Above eyes, embroider 5 lazy daisy stitches to form eyelashes. For beak, embroider a triangle of satin st between eyes, positioning top edge of beak approx 1.5 cm above base of eyes. From fabric, cut out a piece the same size as the knitted base section – do NOT add seam allowance. From remaining fabric, cut out 2 pieces same size as back from cast-on edge to top of striped section – again, do NOT add seam allowance. Join knitted front and back pieces along row-end edges to form side seams, leaving cast-on and shaped cast-off edges open. Positioning cast-on and cast-off edges of base at base of side seams, sew base to cast-on edges of back and front.

Taking 1.5 cm seam allowances (so fabric section is smaller than knitted sections), join side seams of fabric pieces, then attach base in same way as knitted sections. Fill this fabric bag with pebbles and then sand until it is quite firmly filled, then close upper edge.

Insert toy filling into knitted pieces to form a fairly thick layer over base section. Now slip filled fabric bag inside knitted sections so it "sits" on the toy filling. Insert more toy filling around fabric bag, making an even layer of filling all around bag. Complete filling knitted sections until they are firmly filled, then sew upper shaped cast-off edges closed.

Using photograph as a guide, attach top of last row of wings over sides of completed owl, positioning this edge just above top of striped sections.
