The Sublime Jasmine Lace Wrap

in Sublime Extra Fine Merino Lace

You will also need

1 pair of 4mm (UK8 – USA6) Knitting Needles for the main knitting (or the size required to give the correct tension).

1 pair of 5½mm (UK5 – USA9) Knitting Needles for casting on and off (or a needle 3 sizes larger than you use for the main knitting).

TENSION

Don't worry too much about the tension of your knitting for this project - most accessories can stand to be slightly bigger or smaller than intended. This wrap has been pinned out under quite a lot of tension as part of the finishing process. Doing this opens up the fabric beautifully and really shows off the stitch patterns. Once pinned out to (approximately) the sizes we've given, you can either gently steam the work or cover it with damp cloths and leave them in
